

Rotten Bark - I Got You On My Own  
Misc Unsigned Bands

H                      B        H                      H                      B        H  
 Between the road of my past  
 G                                      A                      G                      F                      G  
 Between the lines of my worried life  
 G                                      A                      G                      F                      G  
 I m standing face to face with my memories  
 G                                      A                      G                      F                      E        D  
 And fake time which I can t deny

H B H H B H  
Forever scared, until the night

G A G F G  
That I found You in my heart

G A G F G  
And now I think it s time to come to light

G A G C H  
Everything that I kept inside

D   cis   D   cis   fis   E   D   cis  
I m with You, I always wanted You to know  
D   E   D  
That I m not afraid of anything  
D   E   D  
When I got You on my own

[illegible]
