

Round 2 - Dont Rock The Boat

Misc Unsigned Bands

This is a new band fresh out of Eugene, OR. I don t think too many people have heard of them yet but they are awesome. This song is one of my favorites:

Donâ€™t Rock The Boat by Round 2  
Strum pattern - DDDUD

Intro: **G F C C G F C C**

**G F C C C C**

Some things ain t as they seem  
Like I m running down a dream  
Not sure where time is or where it ends  
Can only count on my friends

Chorus:

**G D F C**

Mama said don t rock the boat  
Some things are best left untold  
And if you do you better be sure

**G D F F**  
Your bound to get more than you bargained for

GFCC7 (2x)

**G F C C7**

Sometimes you canâ€™t just hold firm  
And be careful the bridges you burn  
You can stand but you canâ€™t deliver  
â€™Cuz the bridge is gone you canâ€™t cross that river

Chorus:

Bridge:

**Am D F C**

One day you will be wrong  
And you will learn, on that cold red dawn  
That vanity is a cold ugly place,

**Am D F F**

That knocks you down and throws mud in your face!

**G D F C**

Cuz mama said don t rock the boat  
Some things are best left untold  
Sometimes you got to live and let be,

**G D F F**

I can understand you can you understand me?

Chorus (2x) with Echo

End: **F F F F C**
