

Rowan - Breathe

Misc Unsigned Bands

Breathe by Rowan, this is for ukulele more than guitar but you can transpose it.

Listen to the song for the strumming pattern and the chords are the same for the second verse. I hope it works for you :)

Intro: **A, C#, D, Dm**

Verse 1:

A
I love the way you talk
 C#
I love the way you smile the way you walk
 D **Dm**
I love the way, the way you laugh
A **C#**
I love the way you look, the way you read me like a book
 D **Dm**
I love the way, the way you say

Chorus:

A **D**
Breathe you know that its alright
A
There aint no need to worry
 D
there is no need to fight
Dm **A**
ohh you know you gotta breathe

I love the way you stand
the way you take me by the hand and
I love the way the way you hold me
I love the way you are, you light me up
like a shooting star, I love the way
the way you say

Chorus:

A **D**
Breathe you know that its alright
A
There aint no need to worry
 D
there is no need to fight
Dm **A**
ohh you know you gotta breathe

Bridge:

A

Somedays I start to think

B5

well do you love me too?

F#m

F

And then I fade to blue, blue Ooh

A

and then somedays I cant help but wonder

B5

If youd be the lightning to my thunder

F#m

the rhyme in my every line

F

Breathe

A

you know you gotta breathe

D

oh its alright

A

there aint no need to worry

D

there aint a need to fight

D

just breathe
