Roxanne Emery

Remember Me

Capo: 4th

Intro: (plucking--i don t pluck on mine. Purely because I am really rubbish at it :L)

**Cadd9, G, D. X2**

Verse One:

**Cadd9 G D**  
When will I stop loving you?  
**Cadd9 G D**  
I see your lies... and not your... Truth.  
**Cadd9 G D**  
But he don t hold me like you do.  
**Cadd9 G D**  
He can t know me like you do.  
**Cadd9 G D Cadd9**  
In your eyes I saw my whole life, flash before my mind.  
**G D Cadd9**  
But I was, too late this time- this time I won t cry.  
**F C G**  
So it seems this time you have won.  
**F C G**  
Cause you get two and I get... None.  
**F C G**  
But she won t love you like I... Do.  
**F C G**  
She won t hold you like I do.

---Music--- ( Cadd9, G, D X2 )

Verse two:

**Cadd9 G D**  
When will I stop needing you?  
**Cadd9 G D**  
I stand alone and not for... Two.  
**Cadd9 G D**  
Cause no one hurts me like you do.  
**Cadd9 G D**  
no one leaves me when you do.  
**Cadd9 G D Cadd9**  
In your eyes I saw my whole life- I guess she saw that too.

So I ll be, the only one, that really knows your truth.

So it seems this time you have won.

Cause you get two and I get none.

But she won t love I do.

She won t hold you like I do.

--Music-- ( Cadd9, G, D X2)

And so it seems that you cannot win.

Cause you were... Too scared to let your life begin.

Now all you can do is remember.

Cause you will... Never lay another hand upon me.

And all you can do is remember.

And oh I ll remember you... Too.

And you will never lay another hand upon me.

So just remember me.

So softly.....
