Capo 4

D **Em**
Well I guess it s just one of those nights, where I can t get out of my head
D **Em**
And I guess I ll be alright, I should probably just go to bed

D **Em**
D
The future scares me I m not gonna lie, cause although I m bright I m not smart
enough to try
D **Em**
For fear of failing when I ve really done my best

C **D** **Bm** **Em**
I ve come dangerously close to giving this all up,
C **D** **Bm** **Em**
stare into my tea like the answer s hidden in a fucking cup
C **D** **Bm** **Em**
So put that record on again I ll confess this to you like we re old friends
C **D** **Bm** **Em**
but we re not, I m just playing guitar and trying to pretend

D **Em**
I know that I m still young, and I don t believe in fate
D **Em**
But I m not in control anymore so my time is going to waste

D **Em**
I still respect my teachers, even though they tell me off
D **Em**
for stupid things like swearing, at least they ve got a fucking meaningful job

C **D** **Bm** **Em**
I ve come dangerously close to giving this all up,
C **D** **Bm** **Em**
stare into my tea like the answer s hidden in a fucking cup
C **D** **Bm** **Em**
So put that record on again I ll confess this to you like we re old friends
C **D** **Bm** **Em**
but we re not, I m just playing guitar and trying to pretend

C **D**
That I know who I am, and I m not bored every day

Bm

Em

That the city makes me feel alive, I've got music in my veins

C

D

England will always be my home, with its crappy weather and pointless thrones

Bm

Em

these are things I thought I used to know, but tonight I really don't
