From the other side of the track

Fmaj7/C G

Takes a lot of love

Am

To leave you alone

Faded pictures

On our bedroom walls

Show I lived we used to live

Before I was called

Now you share with another

Your hopes and your dreams

Guess I m just a memory

Of a life you used to lead

Takes a lot of love

To leave you alone

I m gone
And you ve moved on
Just barely out the door
Now you're lying in someones arms

I d be there
But the Lord he called me home
Guess I m finally learning
What I should have known

Takes a lot of love
To leave you alone
