Ryan Monroe - Older

The keyboardplayer (as far as I remember) from Band of Horses made this awesome song as a solo project.

Make sure you turn the Reverb knob to maximum when playing this song.

Yeah you ll be there on my mind through all

F

G

F

C

The one to understand why you never get older

Time to dry off

daggered on the roads

Naked, waiting

Waiting how to fall

After all my plans

They melt into the sand

Yeah you ll be there on my mind through all

The one to understand why you never get older

(interlude)

G, Dm, C, C

G, G, Dm, C, C

And after all my plans
They melt into the sand
Yeah you ll be there on my mind through all
The one to understand why you never get older

And after all my plans
They melt into the sand
Yeah you ll be there on my mind through all
The one to understand why you never get older

And after all my plans
They melt into the sand
Yeah you ll be there on my mind through all
The one to understand why you never get older

And after all my plans
They melt into the sand
Yeah you ll be there on my mind through all
The one to understand why you never get older
