

Ryan Seiler - July
Misc Unsigned Bands

Make me know if there are any mistakes,
this is how I play the song and I m sure it s not perfect.
I ve been been playing guitar for a short time! :)

G Em C D

G **Em**
Warm in the daytime, cool in the evening
C **D** **G**
Wrap me up in a breeze, dog days of season
Em **C** **D**
Keeping me drinking, ice tea and lemonade

Am **D**
I dont even know where to start
Am **D**
Summers like a jump start to the heart
C **D**
I dont even know, where to start

Em **G**
July kills the winter nights
C **G**
And the sun breaths life in a heavy heart
Em **G**
We wade as our feet sink deep
C **G**
In the cool clean sands of a rushing stream
Em **G**
Creation singing as we fall asleep
Em **G**
My God I love what youve given me

G **Em**
Afterwork swimming, barbecue weekends
C **D**
Kickball at brookside park
G **Em**
Afternoon naps and nights on our backs
C **D**
As were studying the stars

Am **D**
I dont even know where to start
Am **D**
Summers like a jump start to the heart
C **D**
I dont even know, where to start

Em **G**
July kills the winter nights
C **G**
