Verse 1

Em Em Em G G G C
Sitting here hoping things will change but they wont
Reading something I shouldnâ€™t be but I cant think if I donâ€™t
And I know that youâ€™ll never be coming back again
But its nice to think that you could be one day

Em D G C
Because time changes everything youâ€™ll never know what will happen

Em G C
And you never know that you have something to miss
