Give me your heart to hold the God-like truth,

And somebody who thinks they shine

But you, I just want you

Em7 C G

G
I spend most of my life on a microphone
D

Giving all that Iâ€™ve got until I head back home
Em7

And when the lights go out, and Iâ€™m all alone,
C

Got no reason to be crying

G
But on a bad day I feel like a masochist

Take it away from me, if it s for the best
Em7

Somehow I ended up the head of this

Freight train that isn t mine
