SANDY POSEY SINGLE GIRL CHORDS.

**C**                  **F**                  **C**  
the single girl all alone in a great big town  
**C**                          **F**                          **C**  
the single girl gets so tired of love lettin her down  
**F**  **C**  
the life s unreal and the people are homely  
**G**                                  **AM**  
and the nights can get so lonely  
**F**                                  **C G**                                  **C**  
the single girl needs a sweet lovin man to lean on  
**C**                                  **F**                                  **C**  
i m a single girl wond rin if love could be passin me by  
**C**                                  **F**                                  **C**  
i m a single girl and i know all about men and their lies  
**F**  **C**  
nobody loves me cause nobody knows me  
**G**                                  **AM**  
nobody takes the time to go slowly  
**G**                                  **F G**                                  **C**  
the single girl needs a sweet lovin man to lean on

**F**                                  **C**  
i gotta make my own way, there s rent i gotta pay  
**D**  **G**  
i need a night-time love to get me through the day

**C**                                  **F**  
i m a single girl all alone in a great big town  
**C**                                  **F**  
i m a single girl and i get so tired of love lettin me down  
**F**  **C**  
but there s a man i ve yet to know  
**G**  **AM**  
waiting somewhere i ve yet to go  
**G**                                  **F**                  **G**                  **C**  
someday i ll have a sweet loving man to lean on  
          **G**                                  **F**                  **G**                  **C**  
the single girl needs a sweet lovin man to lean on  
          **G**                                  **F**                  **G**                  **C**  
the single girl needs a sweet lovin man to lean on .

DONT KNOW IF THIS IS RIGHT, ITS MY FIRST CHORD ATTEMPT.
