Saoirse - True Irishman Misc Unsigned Bands

Lovely song, hope you have fun playing ya irish singers! Greetz, Frédéric Philippi

Capo on second fret

CHORUS

Am C G I am a true irish man but there i was not born G Am C Im living here in places far across the native foam Am С G I d like to sit and have a drink and tell you of me day G G Am Am Am I am what I am and I do not give a damn.

Chorus

С Am G I went to see me girl friend good morning to her say s do I Am С G Ah go away ya traitor for you ll tell to me no lies Am C G you scorned my name with nothing but shame with your bed on your back Am Am G G Am get on your bike and hit the road I won t be taking ya back

Chorus

I went inside a session from night to early morn. The music got inside my heart. My soul it had to play, In between the fiddle and flute with a smile upon me face, and the emptyness inside me heart the music did replace.

Chorus

Well, I may travel far and wide and wander off astray But an Irishman, it s in his heart and there will always stay I ll bring the spirit with me and wander far away And I ll bring it back again then i might just stay
