Tabbed by K-Dizzle Standard Tuning

Intro:

DAG

DAG

D A G

D A D

[Verse 1]

D (

Spent some time with your mom

D A

Rollin round in bed

D E

How was i to know?

G D

It d never be the same again

[Chorus]

D A G

I ve got Balanitis

D A G

Oh my God it sucks

D A G

My balls are really swollen

D A D

Now it just gets stuck

[Verse 2]

D (

Started Getting Problems

D A

Down, in my pants

D E

Went to the doctor

G D

He touched me with his hands

D G

Told me my balls were ruined

D A

Gave me some special pills

D E

Now i m hallucinating

G D

And i ve got the chills

[Chorus x2]

Then comes the bridge, which is just the chorus played twice heavily palm-muted with no singing

[Chorus x3]

[Outro]

DAG

DAD

If you haven t heard this song, search balanitis on youtube to listen to a crappy

of it, but it s enough to give ${\tt u}$ the idea of how it sounds. On the actual recording, there s

an electric guitar that plays palm muted power chord versions of all the notes.
