Every time that I play LIFE

I chose you to be my wife

Tiny pegs are all we are

You're always there, you're still my bride

Cause I, love you

We'll buy a house and have some kids

No more than four or they won't fit

Our girls are pink, the boys are blue

Our little girl looks just like you

We might be broke or might be rolling in dough

A

Where this road leads, I don't know
