

**Seraphim - Amber Eyes**  
**Misc Unsigned Bands**

Intro **E G D C** ds -double strum

Verse 1

**E G D C** **E** **G** **D**  
Eyes X3 I, ll never forget the eyes, the eyes that burn through me, the eyes  
**C** **E** **G**  
that heal me, no..It comes as no suprise, the only time i see them, is  
**D** **C** **E** **G**  
whenever I m closing mine. I try so hard to lie, but i think about them all the  
time,  
**D** **C** **E** **G**  
i m devastated when they cry, oh. The hardest was the climb, to get to where i  
**D** **C**  
could fly, i wouldn t be here without a fight, and those...

CHORUS #1

**E** **G** **D** **C** **E**  
Eyes, those eyes, they fill my dreams every night. Yeah those eyes, those  
**G** **D(ds)** **C**  
eyes. Those beautiful wonderful amber eyes.

Verse 2

**E** **G**  
I was on a road that i despise, where scars come and go and multiply, ive  
**D** **C** **E**  
found that these eyes can open doors and windows. I followed all the signs,  
**G** **D** **C**  
feeling left behind, ive searched for you all my life, for those...

CHORUS #2

**E** **G** **D** **C** **E** **G**  
Eyes, those eyes, the wake me up everynight... Yeah those eyes, those eyes,  
**D(ds)** **C**  
those perfect and magical amber eyes...

Verse #3

**E** **G** **D** **C** **E**  
when she sighs, constellations reverse and allign, so...it s really quite a  
**G** **D** **C**  
sight, when you re by my side, We ve never been denied no. So is there  
**E** **G** **D**  
something to signify, how this girl can be so divine, and why her goodbyes  
**C** **E** **G** **D**  
aren t justified, oh. When darkness arrives, and silence thrives, you girl,  
**C**  
you mystify, with those...

CHORUS #3

**E**            **G**                            **D**                            **C**                            **E**                            **G**  
Eyes, those eyes, they keep me up every night. Yeah those eyes, those eyes,  
                 **D(ds)**                            **C(ds)**                            **E**  
those beautiful, wonderful, perfect and magical amber eyes...

CHORUS #3 again

Ending amber eyes..(oohs) end on C
