

Set It Off - I Promise

Misc Unsigned Bands

Hey everyone, this is my first tab, but I m pretty sure it s Legit.

First think you need to do is tune your guitar a half step down.

So the guitar is **D# G# C# F# A# D#**

If you don t have a tuner you dont have to tune it down but it wont match the song, it ll be a half step higher. (or sharp)

This isnt the way Cody actually plays the song, but it is a moderation.

I m not sure of all the chord names because they are sus or 7 or somthing so I ll just put a chord chart.

G	D/F#	Em7	C7	D
e --3-----	e --3-----	e --3-----	e --3-----	e --2-----
B --3-----	B --3-----	B --3-----	B --3-----	e --3-----
G -----	G --2-----	G -----	G -----	e --2-----
D -----	D -----	D --2-----	D --2-----	e -----
A --2-----	A -----	A --2-----	A --3-----	e -----
E --3-----	E --2-----	E -----	E -----	e -----

Those are the chords you play the whole time, just in a different order a points.

I m sure you notice there is a picking pattern at the beginning. its like this...

Each pattern is done 2 times

e -----3--	e -----3--	e -----3--	then you strum both
B -----3--	B -----3--	B -----3--	C7 and D
G -----0--	G -----2--	G ---0--0--	
D ---0--0--	D ---0--0--	D ---2-2--	
A -----2--	A ---0--	A --2-----	
E --3-----	E --2-----	E -----	

Alright now to where it all goes. (:

Because I m not over you, I promise

You wont see this face show up at your place

Although I m in town I ll stay here, my love

This word they call love come push or to shove,

I ment it and now I m in tears, My love
