The Lonely House

Intro: **D A Bm G**

Verse 1

**D**

My house is cold

**A Bm**

My rooms are empty

**G**

And youâ€™re gone

**D**

Iâ€™m out of control

**A Bm**

Youâ€™re out of my life

**G**

Into forever, and itâ€™s gone

**D**

The memories are vague

**A Bm**

Smiles are small

**G**

Now, Iâ€™m left to face it all

**D**

I turn to see

**A Bm**

Your pretty face

**G**

Am I blind, or are you gone?

Chorus

**D A**

Why did you leave me to die here?

**Bm G**

Why did you leave me alone?

**D A**

Why did you leave me in this

**Bm G**

House on my own?

Verse 2

**D**

Youâ€™re way up there

**A**

Iâ€™m way down here

**Bm**

Send me your smile

**G**

Send me your touch

**D**

Iâ€™m trying to move

**A**

On from the pain

**Bm G**

But the silence hurts too much

**D**

Stuck in this cage

**A**

My heart is enraged

All has gone so very wrong

I turn to see

Your pretty face

Iâ€™m not blind
