

Shady Bard - Torch Song

Misc Unsigned Bands

hi,
this is my first tab.... very easy!!!
i really like shady bard, so im going to try and put some more of their tunes on here!!!
p.s the solo bit is better transposed on the piano, playing the keys **A, D, C#, A**

IT SOUNDS BETTER WITH THE CHORD SHAPES LIKE THIS....

- E** - 0,2,2,1,0,0
- B** - 7,9,9,8,7,7
- A** - 5,7,7,6,5,5

intro:-

E, B, A, B repeat twice

E B A B
what a time to pick a fight

E B A B
the world is full of those tonight

E B A B
i looked at you, you stole my life

E B A B
now here it is just one more time

then play round the chords x2

solo....

E----10-9----|
A-10-----10-|
D-----| repeat solo x20 (roughly)
G-----|
B-----|
e-----|

as i said, solo is best on piano....
if there is one guitarist and one piano its a really nice song

enjoy....
