Shane Harper s official website: <http://www.shaneharperofficial.com/>  
But anywaysss...

No Capo; Standard Tuning

Chords Used:

**A** (barre): 577655 or x02220 (he plays it barre, but it sounds just the same)

**C#m**: 446654

**F#m**: 244222

**D**: xx0323 (barre): 557775 (again, he plays barre, but it works the same)

**E**: 022100

**B** (barre): 799877 or 224442 (same as above)

(OR: an easier way to play the song is to push that little transpose button ^  
down two half-steps and through a capo on the 2nd fret: makes the chords  
**G**, **Bm**, **Em**, **C**, **D**, and **A**)

Intro: **A** - **C#m** - **F#m** - **D**

Verse 1:

**A**

I can t keep chasing you around

**C#m** **F#m**

All of this running just bringing me down

**D**

It s got me down

**A**

Every time I look at you

**C#m**

The angels sing

**F#m**

I hope you hear them too

**D**

**B**

I hope you hear them too

**D**

Got me feeling hypnotized

**B**

**D-E-A**

Girl, it makes me feel ali-iive

Chorus1:

**C#m**

I d climb the highest mountain

**F#m**

And I d sail across the sea

**D**

**A**

Baby, for you I d do anything

**C#m**

I d fly out to the moon

**F#m**

I d paint your gray skies a beautiful blue (lyrics?)

**D**

Just to get one step closer to you

Verse 2: (chords follow same pattern as Verse 1)

Don t hesitate, there s no better time than now, baby

The sky is falling down

Well, baby, are you down, down, down, down?

I could wait forever and a day just

To have you look my way (echo: Just look my way)

Look my way

It s in every little thing I do

Cause baby I do it all for you

(repeat Chorus 1)

Chorus 2: (same chords as Chorus 1)

I would write you a million love songs

Just to hear you say

Baby, for you I d do anything

I d fight Superman

Just to hold your hand

Have to get one step closer to you

Bridge:

(B s and D s) (listen for chord changes in the song)

And now you re in my arms

I knew it from the start

Girl, I d never break your heart

If this ain t love then nothing else is

**A**

I ll do anything for just one kiss

Chorus 3: (same as previous chorus)

I d climb the highest mountain

I d sail across the sea

For you, I d do anything

I d plan a picnic on the moon

Just for me and you

Just for me and you

(repeat Chorus 2)

Just to get one step closer to you
