C#m G#m

Can you find enough love underground
Can you feel the life upon your head without sound
Donâ€™t you wanna run away from the car
That drives you to the opposite of the far

E Eb

Magical tree that doesnâ€™t want to grow

E Eb

Just take my hand

E G#m

You follow me, You follow me
When you get lost
Walk on the street, Walk on the street
Iâ€™m not a ghost
You follow me, You follow me
When you get lost
You walk with me, You walk with me
When you come home

C#m G#m

You keep drinking a bunch of sleeping pills
In a can of kerosene
Put the fire on the sofa
Watching the sun burning your feet
Itâ€™s a shame, not a sickness
That you donâ€™t let yourself go
Off the city youâ€™re gonna blow
