**F#m** **C#m** **Abm**

I wish you could understand

(Chorus)

**C#m** **Abm**

**Bbm** **F#m**

Between the coast and you

**C#m** **Abm** **Bbm** **F#m**

Cause we know I belong wrapped up in your arms

And this is what I do I have to make these moves

**Abm** **Bbm** **F#m**

Even if it takes me away from you

(Bridge)

**Bbm Abm** **Bbm Abm**

Don't let this silent be our exit

**Bbm Abm** **Bbm Abm**

Please tell me now so we won't forget

**F#m** **Abm**

Say ill stay here in your heart

**F#m** **Abm** **F#m**

Till I'm right back in your arms

**Abm**

In your arms

**Bbm** **F#m**

Between the coast and you

Cause we know I belong wrapped up in your arms

(Outro)

**C#m** **Abm**

Please don't make me choose

**Bbm** **F#m**

Between the coast and you

**C#m** **Abm** **Bbm** **F#m**

Cause we know I belong wrapped up in your arms

**C#m** **Abm** **Bbm** **F#m**

And this is what I do I have to make these moves

Even if it takes me away from you
