**Em7** - 022033

**Cadd9** - 032033

INTRO:

**G** - **D/F#** - **Em7** - **Cadd9**

VERSE1:

**G**            **D/F#**                            **Em7**        **Cadd9**                            **G**  
from the first time I saw you.. you had my heart

**D/F#**                            **Em7**        **Cadd9**        **G**  
i didn t know love could come so suddenly

**D/F#**                            **Em7**        **Cadd9**                            **G**  
from the first time I heard you...oh my heart just dropped

**D/F#**                            **Em7**        **Cadd9**  
i just wanted you here with me

VERSE2:

**G**            **D/F#**                            **Em7**        **Cadd9**                            **G**  
from the first time i held you..oh it felt so right

**D/F#**                            **Em7**        **Cadd9**        **G**  
i wanna hold you night and day

**D/F#**                            **Em7**        **Cadd9**                            **G**  
from the first time i kissed you and i closed my eyes

**D/F#**                            **Em7**        **Cadd9**  
i didnt know love could feel this way

PRECHORUS:

**G D/F# Em7 Cadd9 G D/F# Em7 Cadd9**  
i m addicted to you and everything you are..to me

**G D/F# Em7 Cadd9 G D/F# Em7 Cadd9**  
i thank you for being in my life..you are my baby

CHORUS:

**G D/F#**  
close your eyes and get some rest

**Em7 Cadd9**  
put your head upon my chest

**G D/F#**  
pull me close and hold me tight

**Em7 Cadd9**  
i am right here by your side

**G D/F#**  
let me warm you with my love

**Em7 Cadd9**  
as you have done for me so much

**G D/F#**  
even though I m far away

**Em7 Cadd9**  
i ll protect you as you lay

Bridge:

**G - D/F# - Em7 - Cadd9**

**G - D/F# - Em7 - Cadd9**

VERSE3:

**G D/F# Em7 Cadd9 G**  
even now when i see you..my heart gets butterflies

**D/F# Em7 Cadd9 G**  
i don t know what to say sometimes

**D/F# Em7 Cadd9 G**  
you take my breath away with the smile upon your face

**D/F#**

**Em7 Cadd9**

and I m so grateful that you re mine

PRECHORUS/CHORUSx2
