

**Sivu - Better Man Than He**  
**Misc Unsigned Bands**

Capo 8 (or to your desire)

**G** **Em**  
Lo lo lo lo lo lo...

**G**  
You can end this anytime you want to  
Just jump out of the window  
**Em**  
And feel your body break on the ground  
**G**  
Or you can come a little closer  
Come ride my magic carpet  
And follow stars to Bethlehem

**C** **G**  
Youâ€™re such a better man than he (x4)

**D/F#** **Em**  
Weâ€™ll find faith in the most magical of places  
**C Maj/G**  
And find home in the smallest of rooms  
**Em**  
Weâ€™ll find life in the most barrenness of faces  
**C Maj/G**  
And touch Christ in impending doom

**G** **Em**  
Lo lo lo lo lo loâ€|  
**G**  
We can go anywhere you want to  
I donâ€™t really mind  
**Em**  
But follow the life on the moon  
**G**  
A life of pain to do  
**Em**  
A curse from me to you

Weâ€™re so much colder

To the edge of the world

And I have doubt
