Capo 1st!

G **Em** **D** **G**
Some days are disasters that you wish could just end

G **Em** **D** **G**
Other days are bastards, just like a bad boyfriend

G **G7** **C** **Am**
But it makes me feel much worse than this to see your face masked with a frown

G **D** **G**
I m not telling you to smile, but don t be down

C
Don t be down, my friend!

G
Don t do your wrists any harm!

Em **Am** **D**
You don t belong on a funny farm

G **G7** **C** **Am**
And I d rather see you in a party dress than in a hospital gown

G **D** **G**
I m not telling you to smile, but don t be down

I know it s not perfect - but playable!
