

**Slytely Perfect - Fall With The Stars**  
**Misc Unsigned Bands**

This is my song i wrote the lyrics and the guitar for it, so you can t tell me it s wrong.

**Cadd9** **Em**  
Letâ€™s fall with the stars,  
**Cadd9** **Gmaj**  
Theyâ€™ll take us from here,  
**Cadd9** **Em**  
You left me some scars,  
**Cadd9** **Am**  
Deeper than they appear,  
**Cadd9** **Gmaj**  
And you were the first one,  
**Cmaj** **Em**  
the last one,  
**Cadd** **Am**  
the only one for me,

**Cadd9** **Gmaj** **Dmaj** **Cmaj**  
You took me places I thought I could never go,  
**Cadd9** **Gmaj** **Dmaj** **Cmaj**  
I felt like giving up but I would never let you know,  
**Cadd9** **Em** **Cmaj** **Gmaj**  
Make a move or go away,  
**Cadd9** **Em** **Gmaj** **Dmaj**  
but donâ€™t leave me waiting for you,  
**Cadd9** **Em** **Cadd9** **Gmaj**  
I was yours and you were mine,  
**Cadd9** **Em** **Cadd9** **Gmaj**  
acting sweet and looking fine,

**Cadd9** **Em**  
Please take me away,  
**Cadd9** **Gmaj**  
I just see your face,  
**Cadd9** **Em**  
Do you want me to stay,  
**Cadd9** **Am**  
Or just be erased,  
**Cadd9** **Gmaj**  
And you were the first one,  
**Cadd9** **Em**  
the last one,  
**Cadd9** **Am**  
the only one for me,

**Cadd9** **Gmaj** **Dmaj** **Cmaj**

You took me places I thought I could never go,  
**Cadd9 Gmaj Dmaj Cmaj**  
I felt like giving up but I would never let you know,  
**Cadd9 Em Cmaj Gmaj**  
Make a move or go away,  
**Cadd9 Em Gmaj Dmaj**  
but donâ€™t leave me waiting for you,  
**Cadd9 Em Cadd9 Gmaj**  
I was yours and you were mine,  
**Cadd9 Em Cadd9 Gmaj**  
acting sweet and looking fine,

**Cmaj Em**  
Iâ€™m giving up for you,  
**Cmaj Em**  
the way you want me to,  
**Cmaj Em**  
Iâ€™ll take your invitation,  
**Cmaj Em**  
if thatâ€™s all I can do,  
**Cadd9 Em**  
and I could never hurt you,  
**Cadd9 Em**  
because that would just hurt me,  
**Cadd9 Em**  
Iâ€™ll take you into my arms,  
**Cadd9 Em**  
and try to make you see,  
**Cmaj Em**  
that I canâ€™t always be there,  
**Cmaj Em**  
but I will always try,  
**Cadd9 Em**  
Iâ€™ll take whatever you give me,  
**Cadd9 Em**  
and start to wonder why,

**Cadd9 Gmaj Dmaj Cmaj**  
You took me places I thought I could never go,  
**Cadd9 Gmaj Dmaj Cmaj**  
I felt like giving up but I would never let you know,  
**Cadd9 Em Cmaj Gmaj**  
Make a move or go away,  
**Cadd9 Em Gmaj Dmaj**  
but donâ€™t leave me waiting for you,  
**Cadd9 Em Cadd9 Gmaj**  
I was yours and you were mine,  
**Cadd9 Em Cadd9 Gmaj**  
acting sweet and looking fine,

**Cmaj Em**  
Iâ€™ll take your breath away,  
**Cadd9 Em**

and let it out anew,

**Cmaj** **Em**

say what I want you to say,

**Cadd9** **Em**

“I wanna be with you”.

End on Gmaj
