

The same way that you wished I could do

Bm

I dream of melodies

Gm

More than I dream of you and me

Fm

Go find someone to love you

E

The same way that you wish I loved you too

Bm

C#m

You wished I loved you too

G#m

Verse 2:

Bm

I sang for you

C#m

But not one word got through

G#m

I wish it didn't end like this

Bm

C#m

You said maybe if you were made of strings

G#m

We'd have a chance to last

Pre-chorus:

C#m

I want you

Em

To be happy

G#m

The way that you

D#

Could never be with me

Chorus:

F#m

Don't miss me when I leave

Gm

~Cause girl you were right about me

Fm

There's someone that will love you

E

The same way that you wished I could do

Bm

I dream of melodies

Gm

More than I dream of you and me

Fm

Go find someone to love you

E

The same way that you wish I loved you too

Bm

C#m

You wished I loved you too

Verse 1b:

Bm

C#m

G#m

I talked for hours about the sound of words

And all the things Iâ€™ve heard

Chorus:

F#m

Donâ€™t miss me when I leave

Gm

â€™Cause girl you were right about me

Fm

Thereâ€™s someone that will love you

E

The same way that you wished I could do

Bm

I dream of melodies

Gm

More than I dream of you and me

Fm

Go find someone to love you

E

The same way that you wish I loved you too

Bm

C#m

You wished I loved you too

G#m

G#m

You wished I loved you too
