

Sorry Kisses - Abandon Ship
Misc Unsigned Bands

Verse:

A m C

Chorus:

G E F C

Sit here and listen to the rain,
It falls hard and loud on my window pain.
Sometimes drowning me, it s like a flood,
I wish the weather would lift me,
I wish it could.

Abandon ship before, itâ€™s too late,
Or all this love Iâ€™ve got will turn into hate.
Youâ€™re not so very far away,
But I feel more distant with each passing day.
Iâ€™m alone.

Iâ€™m the fire and youâ€™re the flame.
I m feeling put out, whose to blame?
Still I find myself misplaced.
Lost in someone else, I feel erased.

Abandon ship before, itâ€™s too late,
Or all this love Iâ€™ve got will turn into hate.
Youâ€™re not so very far away,
But I feel more distant with each passing day.
Iâ€™m alone.

Abandon ship before, itâ€™s too late,
Or all this love Iâ€™ve got will turn into hate.
Youâ€™re not so very far away,
But I feel more distant with each passing day.
Iâ€™m alone.

Sit here and listen to the rain,
It falls hard and loud on my window pain.
Sometimes drowning me, it s like a flood,
I wish the weather would lift me,
I wish it could.
