Sorry Kisses - Abandon Ship Misc Unsigned Bands

Verse:

Am C

Chorus:

GEFC

Sit here and listen to the rain,
It falls hard and loud on my window pain.
Sometimes drowning me, it s like a flood,
I wish the weather would lift me,
I wish it could.

Abandon ship before, itâ \in [™]s too late, Or all this love Iâ \in [™]ve got will turn into hate. Youâ \in [™]re not so very far away, But I feel more distant with each passing day. Iâ \in [™]m alone.

I'm the fire and you're the flame.
I m feeling put out, whose to blame?
Still I find myself misplaced.
Lost in someone else, I feel erased.

Abandon ship before, it $\hat{a} \in \mathbb{T}$ s too late, Or all this love $\hat{I} \hat{a} \in \mathbb{T}$ ve got will turn into hate. You $\hat{a} \in \mathbb{T}$ re not so very far away, But I feel more distant with each passing day. $\hat{I} \hat{a} \in \mathbb{T}$ m alone.
