Soul Decision

Faded

~

Capo on the first fret(or second but I prefer first)

Well, heres my take on the 90s hit song by Soul
Decision. Its a VERY easy song to play, and
I tried my best to make it as accurate as I could.

(After ringing, slow chord changes)

Em let ring
When I get you all alone,
A let ring
I m gonna take of all your clothes
C **D**
Aint nobody gonna interupt my game,oh no
Em let ring
Ever since you ve been hangin around,
A let ring
I ve been trying to figure out,
C **D**
What I m gonna say to you to get something,yeah

(Normal chord change speed)

Em **A**
Couldnt we do what we did last night again,
C **D**
Baby you and I could be better friends
Em **A** **C** **D**
Dont you think its time we a bit further, oh yeah
Em **A**
Every night when we say goodbye,
C **D**
How can I help looking in your eyes,
Em **A** **C**
Wondering why you and I havent hit it,
D

Can we get it on,.....

Em **A**
Kind of faded, but I m feeling alright,
C **D**
Thinkin about making my move tonight
Em **A**
I cant pretend that you re only my friend,
C **D**
When your holding my body tight
Em **A**
Cause I like the way your making your move,
C **D**
I like the way you re making me wait,
Em **A**
At the end of the night, when I make up your mind,
C **D**
You ll be coming on home with me,yeah, yeah, yeah

Em let ring
Dont you know you ve got it?
A let ring
And you know I want it,...
C **D**
I cant wait to take you home(you know you ve got it tonight)
Em let ring
I dont want to be rude at all,...
A let ring
I just want to be where you go,...
C **D**
Think what we could do alone?(yeah)

Repeat Bridge

Repeat Chorus

Rap:

Em let ring
When we first met, yo that deal was faded
A let ring
You spent like my D s the way we compensated;
C **D**
Just another day, around the way
Em **A** **C** **D**
With me up close so everything OK
Em let ring

cause I m not like the rest,...

A **C** **D**
Indecision with the best,
Em **A**
Plus for my full court press,
C **D**
Because they hated -
(Silence)
Hows it go?

Hah -

Yo, faded,....

Repeat Chorus 3X

End on Em - let ring

Yeah, yeah, yeah,....

And thats it. I tried to be
as accurate as I could be. If you think something
else sounds better, or I made a typo let me know
in the comments. But please,....be nice, okay?
If you dont like Soul Decision then you shouldnt even
