Soul Decision - Faded Misc Unsigned Bands

Soul Decision

Faded

~

Capo on the first fret(or second but I prefer first)

Well, heres my take on the 90s hit song by Soul Decision. Its a VERY easy song to play, and I tried my best to make it as accurate as I could.

(After ringing, slow chord changes)

Em let ring

When I get you all alone,

A let ring

I m gonna take of all your clothes

. I

Aint nobody gonna interupt my game, oh no

Em let ring

Ever since you ve been hangin around,

A let ring

I ve been trying to figure out,

! n

What I m gonna say to you to get something, yeah

(Normal chord change speed)

Em A

Couldnt we do what we did last night again,

٦ -

Baby you and I could be better friends

Em A C D

Dont you think its time we a bit further, oh yeah

l .

Every night when we say goodbye,

How can I help looking in your eyes,

Em A C

Wondering why you and I havent hit it,

Em Kind of faded, but I m feeling alright, Thinkin about making my move tonight I cant pretend that you re only my friend, When your holding my body tight Cause I like the way your making your move, I like the way you re making me wait, At the end of the night, when I make up your mind, You ll be coming on home with me, yeah, yeah, yeah **Em** let ring Dont you know you ve got it? Α let ring And you know I want it,... I cant wait to take you home (you know you ve got it tonight) Em let ring I dont want to be rude at all,... A let ring I just want to be where you go,... Think what we could do alone? (yeah) Repeat Bridge Repeat Chorus Rap: let ring When we first met, yo that deal was faded let ring You spent like my D s the way we compensated; Just another day, around the way Α C With me up close so everything OK

let ring

Em

Indecision with the best,

l

Plus for my full court press,

C

Because they hated - (Silence)
Hows it go?

Hah -

Yo, faded,....

Repeat Chorus 3X

End on Em - let ring

Yeah, yeah, yeah,....

And thats it. I tried to be as accurate as I could be. If you think something else sounds better, or I made a typo let me know in the comments. But please,....be nice, okay?

If you dont like Soul Decision then you shouldnt even be looking at this tab. Peace,

Connor
