

**Souljahits - Jamaicas Away**  
**Misc Unsigned Bands**

the chord is just **C Am F G**

**C** **Am**  
Jamaica s away, away from the land that i am livin

**F**  
Away from the beach that got me goin

**G**  
Away from the sound that came out within

Jamaica s away, and my love is somewhere between  
To seek love is never comin  
And the music really got me missin

Reff:Why, why do i love the music  
why does it made it dancin  
once it turns once it plays and my feet start to sway

why, why people think i m crazy  
why do they say i m losin my way  
it got me good got my mood not forgetting my root

#oh...it s in my ear...  
oh...it s all that i hear...

(said s part)  
Listen to the raindrops falling from the top my hearts are still with the  
jamaica s  
appeal. calling reggae music the beat is in my hand my soul flyin up  
instead....
