Misc Unsigned Bands

Cast Your Fate To The Wind:The Sandpipers.
Album - Guantanamera - #13 on A&M Records
in 1966.

(**Made a mistake and put Sounds Orchestral in
as band name instead of Sandpipers. Sounds
Orchestral did song as an instrumental.***)

INTRO: **A#7 D#..A# G#**

#1.

A#7 D#

A month of nights, a year of days.

A#7 G#

Octobers drifting into Mays.

A#7 D#

I set my sail when the tide comes in,

G# A#7 D# G# A#7..G# D#..G# A#7

and I just cast my fate to the wind.

#2.

A#7 D#

I shift my course along the breeze.

A#7 G#

Won't sail upwind on memories.

A#7 D#

The empty sky is my best friend,

G# A#7 D# G# A#7..G# D#..G# A#7

and I just cast my fate to the wind.

(INTERLUDE:) **B7 E..B7 A..B7 E..A B7 E..A#7**

#3.

B7 E

There never was, there couldn't be,

B7 A

a place in time for men like me..

B7 E

Who'd drink the dark and laugh at day,

A B7 E B7

and let their wildest dreams blow away.

OUTRO:

A B7 A E..A B7 A E..A B7 A E (Fade.)

A sixties smash from Kraziekhat.
