There could never be, a portrait of my love..  
**C** **Am7** **Dm7** **G7** **C** **Am7** **Dm7** **G7**  
for nobody could paint a dream.

**C** **Dm7** **G7** **Am** **Fm**  
It would take, I know, a Michaelangelo..  
**C** **Am** **Dm** **G**  
and he would need the glow of dawn that

paints the sky above..  
**Dm7** **Em** **Em7** **Dm7** **G7** **C**  
to try and paint a portrait of my love.

REPEAT#3.
