Verse 1: **C, Em7, Am, G, F, G**

Iâ€™ve never seen someone like you in my whole life.
Youâ€™re so pretty, so beautiful, so nice, you always caught my eye.
Please be mine oh I promise that Iâ€™ll never leave by your side.
I donâ€™t know how Iâ€™ll not be by your side, youâ€™re my everything.

Bridge: **Am, C, G, F**

Coz every time Iâ€™m not with you feels dull and grey
And every time I donâ€™t see you makes me wanna say
I miss you so much, every minute, everyday
I d be with you forever, if only thereâ€™s a way

Chorus: **C, Em7, Am, F, G**

I wish upon a star, that someday youâ€™ll be mine,
Or Iâ€™ll be yours forever, whatever is fine
Youâ€™re the one Iâ€™m wishing for, every single night
Your eyes are like the stars, they are so bright

Every time I see you my heart beats so fast,
No matter how I stop it, it always lasts,
Oh I canâ€™t stop dreaming â€™bout you,

Instrumental: **C, Em7, Am, F, G**

Verse 2: **C, Em7, Am, G, F, G**

Youâ€™re the most beautiful one Iâ€™ve ever seen
The sweetest one, simplest one, cutest one that God has ever made
You are the stars, the moon, and the sun, youâ€™re everything that brights,
You give light upon my darkest hour, my saddest hour, Iâ€™ll just think of you,

and it makes my day,

Repeat Bridge
