Song: Days of Thinking of You  
Artist: Steven T. Georgiou (ME)

**G Em C9 F#**

Intro:

Days of thinking of you, it makes me so insane that I wanna be with you, oh oh  
A day seems to be a week, and I hate myself for loving you  
For it makes my whole world lock itself, until the day we meet again

Chorus:

**G D Am C**

I love the way you look, I love the way you dress,  
It s just pretty simple, matching your pretty face,  
Oh darling youâ€™re beautiful in every single way,  
Oh you always caught my eye on every day,

Instrumental

Oh girl Iâ€™m thinking of you, on every minute, every second of everyday, Oh oh  
I hope that youâ€™re always alright, cause seeing you in pain makes me feel  
unright  
I hope that you will sleep well every night,

Chorus 2:

Oh please do tell me, that you love me too,  
Or else my heart will break into pieces over you,  
Iâ€™m so sorry for my insanity, but Iâ€™m just in love with you,  
Oh yes I do.

Instrumental

Oh girl please love me too, I promise I will take so much care of you, oh oh  
There may be ups and may be downs, but donâ€™t you worry Iâ€™ll be always there  
for you,  
Even if Iâ€™m too far away from you

Chorus 3: (Ending)

We may be miles away, but I promise that Iâ€™ll just stay,  
I also promise that I will never go away,  
Oh darling just remember these three words I will say,  
Oh I love you, I love you, oh I love you.

Instrumental w/ plucking then Repeat Chorus 3
