Title: She's Aj  
Credits To: Me (not sure what to type)

**A7sus, Am7**

Intro:

She's been walking down the hall way,  
Surrounded by men,  
Everyone's standing in line, just to say good morning,  
Ma'am you're super sexy, that's what she commands,

**B7, Esus7, E7**

Even though she is so small, she's adorable,

**A7sus, Am7**

Hey Aj you're sexy, oops maybe I'm lying,  
But it's your birthday though,  
I am not insulting I am just describing,  
How I see you,

**B7, Esus7, E7**

Even though you are small, you've got a big heart,

**A7sus, Am7**

Happy birthday to you, may I know how much,  
Height did you gain?  
I am sorry if this is, too much for you but I'm,  
Just trolling you,

**B7, Esus7, E7**

Please don't get mad about me, I just like your

**A7sus, Am7**

Personality, the way you walk's so funny,  
And also how you laugh,  
One step's two for you, but it doesn't matter,  
As long as we have you,

**B7, Esus7, E7**

This group is not the same, not without you.

11th Composition Finished :)

Happy Birthday lil Aj :)
