Funeral Song

our last walk came too quick in time,  
Cm Dm#  
our last day at a mill revives,  
Cm Bm  
our last walk came too quick in time,  
Cm Dm#  
our last walk came too quick,  
Cm Bm  
our last date revival,  
Cm Dm#  
our last walk came too quick in time,  
C Bm Cm Bm  
think back, every brick in the shine  
Cm Dm#  
Our spaceship will not arrive on the moon  
Cm Bm  
You passed away far too soon  
Cm Bm  
A dirge for the lumbermill and water,  
Cm Dm#  
You d live in a golfclub,  
Cm Bm  
every board in the weel,  
Cm Dm#  
every clearing in the cross, every nine men s worris  
Cm Bm  
envy what isn t wrong, the weat is milled  
Cm Dm# Cm Bm  
A funeral song, for you my gone; fuming songs, for you foregone

our last walk came too quick in time,  
our last day at a mill revives,  
our last walk came too quick in time,  
any quarter, any speech, any speech,  
every brick, every talk, every speech,  
any bond, any bond, any paralell,  
huha

A dirge for the peasant who is fine  
A dirge for the grinder Columb, it s overwhelming  
Weat doesn t envy what seems wrong  
any quarter, any speech, any speech,  
every brick, every talk, every speech,

every bond, every paralell, every bond,  
your last walk came too quick in me  
your last moonship revives, it  
A dirge for the peasant who is fine
