Surrogate - Can t Go Home  
Capo II

Riff A: G|--2-0-2\4--0----|

Riff B: G|--0-2/4-2--0----| (something like this...)

Intro (with hammer-ons on the G string):

**Am** (riff a) **Em**

**Fmaj7** (riff a) **C** (**Fmaj7** = xx3210)

**Am** (riff a) **Em**

**Fmaj7** (riff b) **C** (from here on, I refer to the **Fmaj7** as an **F**)

**G** **C**  
they use to make an alcohol as lovely as you

**Am** **Em** **C**  
but I ain t had that whiskey for years  
it s funny all the thing you miss when you can t taste bitterness  
you can t taste nothing at all

**Am** (riff) **Em**  
it s gonna take the rest of my life  
**Em** **F**(riff) **C**  
to get you out of my mind  
I know the damage is done  
I m working on a new kind

Chorus:

**C** **Em**  
gonna learn that when all the bars are open  
**C** **G**  
cause I can hardly breathe when I m alone  
**Am** **Em**  
they re gonna break away the memory  
**C** **G**  
cause they know that I can t go home

Intro Chords  
Humming

repetition takes the fun away from abusing substances  
we don t have much fun around here  
absolution (G7) comes in bottles all these spirits hard to swallow  
they make me walk in my sleep

**Am** **Em** **C**  
you can t trust nothing you see

it s gonna take the rest of my life

to get you out of my mind  
I know the damage is done  
I m working on a new kind

Chorus:

gonna learn that when all the bars are open  
cause I can hardly breathe when I m alone  
they re gonna break away the memory cause they know that I can t go home
