C **F**
Under twinkling airplanes
C
I work all through the night.

C* **Am**
Attaching the electrodes
G G7
comes a crackle and a light.

F **G**
And every igor has this
C
monster to attend.

F **G**
But I never calculated that it meant,
C
I would lose you in the end.

C **F**
Underneath the lamppost
C
in the sweaty summer heat,

C* **Am**
I m buried in the lab,
G G7
when I could be finding love so sweet.

F **G**
And I m comfortable, I guess,
C
but something is amiss.

F

G

Guess I never thought I d end up all alone

C

like this.
