D **G**
From the windows of heaven
A **D**
All of Glory could see
A **G**
The crowd slowly gathering
A
At Mount Calvary.
G
Father, please stop them
A **D**
The Angels all cried
G
But as Jesus was dying
A **D**
They heard God reply

G
Go close the window
A **D**
And pulled down the shade
G
I will look when itâ€™s over
A
And the debt has been paid.
G
I just canâ€™t bear to see
A **G**
What the worldâ€™s gonna do
D
Go close the window
A **D**
Till the soldiers are through

G
Heavenâ€™s windows flew open
A **D**
With each cry from the cross
G
But when God turned away
A
It seemed all hope was lost.
G
But what a glorious victory

A **D**
He had won on that day
G **A**
When the Angels fell silent as they heard
D
God say

G
Go close the window
A **D**
And pulled down the shade
G
I will look when it's over
A
And the debt has been paid.

G
I just can't bear to see
A **G**
What the world's gonna do

D
Go close the window
A **G**
Till the soldiers are through

Go close the window
