 $\mathbf{F}$ Am Life is short was said G  $\mathbf{F}$ By a man who is now dead Am Those things you wish you said You can t say them to the dead F You can t say them to the dead  $\mathbf{F}$ Am Some people die when they re 40 F G But they re not buried till they re 75 Am Just because your heart is beating G F Doesn t mean that you re alive (I m a vapour) Through all his years of life He thought that he might Look to the one above Who he d seen work through the ones he loved But after all was said The idea stayed in his head He did not follow through And all he left was an empty bed (I m a vapour)

F Am G

Oh, the saddest thing I ever saw F Am G Was a man that did not know F Am G Which way to turn, which way to go F Am G Finished his life on his own
