

**The Apathy Eulogy - Be My Rescue**  
**Misc Unsigned Bands**

Hey I m posting this at the same time as my other post. This is just an optional

way to play the song.

I tabbed it out this way to closer replicate that really open, full sound that  
The Apathy Eulogy gets.

Again, this is optional.

Key: **C#**

Tuning: C# G# C# F# G# C#

Capo: None

Chords: **C# A#m G# F# E#m**

```

C# |-----0---9-----7-----5-----4--|
G# |-----0---9-----7-----5-----4--|
C# |-----0---9-----7-----5-----4--|
```

Intro

**C# A#m G# F# C#**(let ring)

Verse 1

```
C# F#
In the fast lane doing 90
E#m F#
miles behind me and miles ahead
C# F#
it s been raining on the pavement
E#m F#
on my heart and in my head
```

Transition

**C# F# G#**

Verse 2

```
C# F#
it s kind of funny how they ignore me
E#m F#
no one heard the words i just said
C# F#
in the driveway on this dark day
E#m F#
close my eyes so my heart forgets
```

Transition

**C# F# G#**

Chorus

**C#                    A#m                    G#                    F#**  
you can be my rescue when I need an outlet from what s bringing me down  
**C#                    A#m                    G#                    F#**  
I will stand by everything I said to bring us to where we are now

Break

**C# A#m G# F# C#**(let ring)

Verse 3

**C#                    F#**  
all this driving isn t easing  
**E#m                    F#**  
anything that I thought it would  
**C#                    F#**  
but I keep on driving I m avoiding  
**E#m                    F#**  
finding peace in the place I should

Bridge

**C#                    F#**  
the weather s frightful I am spiteful  
**E#m                    F#**  
I d give it up if only if only I could  
**C#                    F#**  
finally home and nothing has changed and  
**E#m                    F#**  
nothing here seems right after all

Transition

**C# F# G#**

Chorus

**C#                    A#m                    G#                    F#**  
you can be my rescue when I need an outlet from what s bringing me down  
**C#                    A#m                    G#                    F#**  
I will stand by everything I said to bring us to where we are now
