

**The Assembly - Never Never**  
**Misc Unsigned Bands**

**F C Bb**

I know just what to say  
It s just a game I play  
Now I m here on my own

**F C Bb**

I d like to be with you  
I guess you always knew  
Still I m all alone

**C Bb**

I know the history  
got it all worked out

**F C Bb**

It never happens to me, it never happens to me  
(maybe that s the way my life was meant to be)  
It never happens to me, it never happens to me  
(love is just the door that s locked and there s no key)  
It never happens to me...

**F C Bb**

I know my every line  
It s just a waste of time  
Guess it s all such a shame

**F C Bb**

I ve seen it all before  
And everytime I m sure  
That it ends up the same

**C Bb**

I know the history  
got it all worked out

**F C Bb**

It never happens to me, it never happens to me  
(maybe that s the way my life was meant to be)  
It never happens to me, it never happens to me  
(love is just the door that s locked and there s no key)  
It never happens to me...
