some of the lyrics are wrong and i didnt get it all.....

intro: B G D A F# (x2) F# G

verse;

B G D
in a quiet little town where the children used to play, there were fights
A F# B G
from the dark to the dawn of the day, happy lives that all died happy lives
D A B
that were not saved, no-one could escape, from the fire and the flames and
G D A
the sorrow that remains, we were searching for the answer but got flooded by
F# B G D
the rain, In a moment what was ours got possessed by heavy pain, They all
A G
went insaaane ohohoho

chorus;

D A B G A
tell me something i dont know ,and where my life will go next,
D A B G A
promise me all the things you show me, and i will see the,
D A B G A
pain that lives inside your soul and that wont regain for,
D A B G A
we are left with just one choice but dont look down now

on 2nd chorus its the same until....

D A B G A B F# B F#
we are left with just one choice but dont look down noooooowwwwoooooowww

B F# B F# G

just before solo;

G F# E D
