The Boys of Summer  
Indiana Acoustic  
Capo 2

I tabbed this out in about an hour because I liked the song  
and there are a great band out of Detroit. I am sure there are mistakes,  
if you catch one leave a comment so I can correct it  
(I am not sure even if the lyrics are correct). Leave some love if you dig.

Chords:

**A**:32003(3)  
**A/F#**:20003(3)  
**F#m7**:x2203(3)  
**Dadd9**:x3203(3)

Intro:

**A A/F# F#m7 A/F#**

Verse:

**A A/F# F#m7 A/F#**  
I wish I could take this heart in me and show you all my sides.  
**A A/F# F#m7 A/F#**  
From the inside out, the hope I felt and why I write these lines.  
**A A/F# F#m7 A/F# A**  
I wish I could take my mind away from nights I lay alone,  
**A/F# F#m7 A/F#**  
Eventually it s you and me,together on our own.

Chorus:

**A**  
You take me on but you make it so hard to breathe,  
**Dadd9**  
and its not like we thought this was something easy.  
**F#m7**  
But don t expect to much from me  
**Dadd9**  
til it rains in Indiana, rains in Indiana.

**A**  
And I bet a dollar to Michelle and your best friend too,  
**Dadd9**  
I can hold my damn breath til my face turns blue.  
**F#m7**  
But don t expect to much from me

**Dadd9**

til it rains in Indiana, rains in Indiana.

Verse:

**A** **A/F#** **F#m7** **A/F#**

And All you want to do is have me home and keep me by your side,

**A** **A/F#** **F#m7** **A/F#**

but on the phone all night long until you close your eyes.

**A** **A/F#** **F#m7** **A/F#**

And I can t wait to have you here, our hopes and dreams are unaware

**A** **A/F#** **F#m7** **A/F#**

that we re so close to everything, we re so close to everything.
