The Caution - Foolish Girl
Misc Unsigned Bands

Intro - AAAAA GGGGG
        AAAAA **G**
        AAAAA GGGGG
        AAAAA GGG

Verse 1 - A   D
         Everybody was lookin at you
          A   **D**
         Pretend you re funny but you know thats not true
            A   **D**
         But you re still dancin like you re runnin the show
            A   **D**
         And everybody just laughs at you now

Chorus -   **G**   **Em**
         So you took me to that place where no-one was around
                 G   **Em**
         And you tied me to that railing
            G   **Em**
         You didn t even make a single sound
                    G   **Em**
         But I could tell your plan was failing

         play chorus during solo

         Chorus again

Verse 2 - Your ignorance just makes me cringe
          So frustrating i could pull out my fringe
          So when you go back to your two-bob home
          Just remember why you re all alone

          Chorus Again

          Outro same as intro
