Never Be The same Again
by Terry Bailey

[g]I was alive,[cadd9]At least I thought I was,[g]happy in my life[cadd9]
[g]I had everything,[cadd9]a man could ever want[g]and much more besides[cadd9]

[d]then you caught me, [am7]when my guard was down
[d]you picked me up,[am7]when i was feeling down

[cadd9]never be the same again[g]
[cadd9]never be the same again[g]

[g]from across the room, [cadd9]i saw you gaze[g]
[g]the look [cadd9]the smile you gave, [g] took my breath away[cadd9]

[d]now all I need [am7]is just one single smile
[d]it makes our troubles [am7]all seem worthwhile

[cadd9] never be the same again[g]
[cadd9] never be the same again[g]

[g] when I look in the mirror, [cadd9]I see a happy face[g]
[g]you touch me in ways,[cadd9]no one can take your place[g][cadd9]

[d]from the day we met, [am7]my life just seems worthwhile
[d]and all you have to give, [am7] is just one smile

[cadd9]never be the same again[g]
[cadd9]never be the same again[g]
