The Marathon Runner

**D** **A**  
This bedroom, cold curtains  
**Bm** **G**  
Have I any reason to stay around?  
**D** **A**  
Nostalgia, is lurking  
**Bm** **G**  
This heavy air keeps me down.  
**Bm A**  
Oh oh, oh oh  
**D** **A**  
Favorite book, old backpack  
**Bm** **G**  
I m not sure how long I ll last.  
**D** **A**  
Cold feet, money stash  
**Bm** **G**  
Pieces of my heart and past  
**Bm A**  
Oh oh, oh oh

**Bm**  
Will you miss me?  
**D**  
Too late for sorry.

**D** **A**  
Stale faces, new places

**Bm** **G**  
I befriended a singing man  
**D** **A**  
I wonder, if he misses  
**Bm** **G**  
Whatever it is he ran from  
**Bm A**  
Oh oh, oh oh

**D** **A**  
This boxcar, my worn shoes  
**Bm** **G**

Things have changed more than I wanted them to

**D** **A**  
Your whisper, in my head

**Bm** **G**  
I hope you wonder if im dead

**Bm** **A**  
Oh oh, oh oh

**D**  
Run Away

**Bm**  
You gave me no choice but to

**G** **A**  
Run away

**D** **A** **Bm**  
Don t cry for me, I promise I won t cry for you.

**D** **G** **Bm** **A**  
If you re gonna say you miss me, don t say you re sorry

**D** **G** **Bm**  
Will you miss me, or just keep running?
