#1.

**Em7**                    **A9**                    **Dmaj7** **D6**  
Take my hand..I m a stranger in paradise.  
**D6** **Em7**                    **A9**                    **Gm**                    **Dmaj7** **D6**  
All lost in a wonderland..a stranger in paradise.  
**D6**                    **Em7**                    **A9**                    **Dmaj7**  
If I stand starry-eyed..that s the danger in paradise..  
**D6** **Bm6**                    **Em7**                    **Gm** **A9**                    **D**  
for mortals who stand beside, an angel like you.

CHORUS:

**Bb7**                    **Eb**  
I saw your face and I ascended..  
**C#m6**                    **D7**                    **Gm**  
out of the commonplace, into the rare.  
**F#7**                    **B**  
Somewhere in space, I hang suspended..  
**D6**                    **Em7**                    **A9**                    **Dmaj7**  
until I know, there s a chance that you care.

#2.

**F#dim**                    **Gm7**  
Won t you answer this fervent prayer..  
**A9**                    **Dmaj7** **D6**  
of a stranger in paradise?  
**D6**                    **Em7**                    **A9**                    **Dmaj7** **D6**  
Don t send me in dark despair, from all that I hunger for.  
**E7**                    **A9**                    **F#m7** **F#dim**  
But open your Angel s arms, to this stranger in paradise.  
**Em7**                    **Gm** **A9**                    **D**  
And tell him that, he need be, a stranger no more.

A fifties smash from Kraziekhat.
