#1.

**Fm7**                      **Bb9**                      **Ebmaj7** **Eb6**  
Take my hand..I m a stranger in paradise.  
**Eb6** **Fm7**                      **Bb9**                      **G#m**                      **Ebmaj7** **Eb6**  
All lost in a wonderland..a stranger in paradise.  
**Eb6**                      **Fm7**                      **Bb9**                      **Ebmaj7**  
If I stand starry-eyed..that s the danger in paradise..  
**Eb6** **Cm6**                      **Fm7**                      **G#m** **Bb9**                      **Eb**  
for mortals who stand beside, an angel like you.

CHORUS:

**B7**                      **E**  
I saw your face and I ascended..  
**Dm6**                      **Eb7**                      **G#m**  
out of the commonplace, into the rare.  
**G7**                      **C**  
Somewhere in space, I hang suspended..  
**Eb6**                      **Fm7**                      **Bb9**                      **Ebmaj7**  
until I know, there s a chance that you care.

#2.

**Gdim**                      **G#m7**  
Won t you answer this fervent prayer..  
**Bb9**                      **Ebmaj7** **Eb6**  
of a stranger in paradise?  
**Eb6**                      **Fm7**                      **Bb9**                      **Ebmaj7** **Eb6**  
Don t send me in dark despair, from all that I hunger for.  
**F7**                      **Bb9**                      **Gm7** **Gdim**  
But open your Angel s arms, to this stranger in paradise.  
**Fm7**                      **G#m** **Bb9**                      **Eb**  
And tell him that, he need be, a stranger no more.

A fifties smash from Kraziekhat.
